Dear Jim,

Specification number 291-1D is the proper specification number for the original kit developed under Task Order 5 and is to be used on all specs and drawings.

Very truly yours,

Andy

Dear Andy:

Can you confirm the following specification number for the original kit developed under Task Order 5: 291-1D. As you suggested, we will continue use of this number on all of the follow-up jobs for this equipment.

*is the spec #*

*2*  
*P.P. - 10-15*

Very truly yours,
